

Everyone is cordially invited to a cookie and hot cider reception immediately following the concert at the Phyllis Schlafly Center, 7800 Bonhomme Ave (½ block west of the hotel).

Come enjoy our beautiful building, cookies, and conversation!

Phyllis Schlafly (1924 – 2016) became a national leader of the conservative movement through the publication of her best-selling 1964 book, *A Choice Not an Echo*, the first of 27 books she authored. For 50 years, her monthly newsletter the *Phyllis Schlafly Report* educated and motivated grassroots conservatives in political advocacy.

Phyllis Schlafly was America’s best-known advocate of the dignity and honor that we as a society owe to the role of fulltime homemaker. The greatest joy of her storied life was her 6 children, her grandchildren and great-grandchildren.

Phyllis Schlafly Eagles's Mission is to enable conservative and pro-family men and women to participate in the process of self-government and public policy making so that America will continue to be a land of individual liberty, respect for family integrity, public and private virtue, and private enterprise.

We are truly honored to present the KOS Choir!

The choir regularly performs at festivals and choral competitions at home and abroad, often taking first place and gold medals, including in special juried events. The choir has recorded five CDs, and worked on projects such as children's opera, theater, and premiering compositions by contemporary Czech composers. Many members of the choir have excelled in competitions in solo singing and instrumentation, showing that the choir KOS has been an impressive springboard to continued individual success in the field of music.

The artistic director and choirmaster is Milan Motl.

The KOS Choir is brought to us by the Czech Symphony Project, an international student exchange ministry of Harvest Bible Chapel St. Louis West.
