Boston native **David Bossie** has been President and Chairman of Citizens United and Citizens United Foundation since 2001. He is a documentary producer and author, and is noted for his leadership of investigations during Bill Clinton's two terms as President. In 2016, Bossie was Deputy Campaign Manager of Donald Trump's presidential campaign.

Political operative and commentator **Corey Lewandowski** has served in many roles ranging from media pundit, to campaign leadership, to lobbyist, to issue advocacy. Prior to joining Donald Trump's presidential campaign as Campaign Manager in 2015, he worked for several campaigns as well as the national group Americans for Prosperity. Lewandowski is part of, as Phyllis Schlafly always labeled her own attempts, a special group, having run for office and lost at least twice.

Please make your reservation no later than August 17th by doing one of the following:

Leading the Pro-Family Movement Since 1972

The legacy of Phyllis Schlafly lives on in Pennsylvania. She supported our efforts vigorously all her life and, in addition, gave an early endorsement of then-candidate Trump for President. She helped save the seats of 13 of our 18 Republican Congressmen and that of a Republican Senator. A Republican majority in Pennsylvania's State Legislature and State Senate and a Republican Commissioner in Montgomery County owe their successes in large part to her energetic leadership.

Today, Phyllis's sons John, Bruce, Roger and Andy actively continue their mother's legacy.
