What the Equal Rights Amendment Means

ERA will make every wife in the U. S. legally responsible to provide 50% of the financial support of her family.

ERA will wipe out a woman's present freedom of choice to take a paying job or to be a fulltime wife and mother supported by her husband.

ERA will make women subject to the draft.

ERA will put women on warships and make them subject to combat duty on an equal basis with men regardless of whether we have a draft or not.

ERA will eliminate the preferential Social Security benefits women now enjoy.

ERA will wipe out many protective labor laws which benefit women.

ERA will knock out present laws protecting women from sex crimes such as statutory rape and forced prostitution.

ERA will integrate boys' and girls' physical education classes in high schools and colleges.

ERA will jeopardize present lower life insurance rates for women.

ERA could create havoc in prisons and reform schools by preventing segregation of the sexes.

ERA will nullify thousands of present laws which protect women, and will transform every provision of law concerning women into a constitutional issue that will ultimately have to be resolved by the Supreme Court.

ERA DOES NOT guarantee women better paying jobs, promotions or better working conditions. The Equal Employment Opportunity Act and other laws already guarantee women "equal pay for equal work" and need only to be enforced to ensure women equal opportunity.
